

September 2015

Dear Business Manager/Owner:

The Levittown Tomahawks need your help!

The Levittown Tomahawks is a not-for-profit organization dedicated to providing an opportunity for the children of our community to enhance their quality of life through the game of lacrosse. This year we will serve more than 500 children. While learning the game is our primary objective, leadership, sportsmanship, teamwork and social responsibility are the building blocks of the foundation on which we structure our program.

On October 24, 2015 we will be hosting our 2nd annual LAX for a Cure. The goal of this event is to raise funds for two local organizations and unite the community through the game of lacrosse. All proceeds from the event will be donated to The Janet Orelli Breast Cancer Research Foundation and The Brendan & Liam Shanahan Foundation, which is a nonprofit organization who helps families that have chronically and/or terminally ill children. Your donation will help us reinforce community involvement to our members and benefits two local foundations that have had personal impact within our own organization.

Your help is needed to make this event a success. We hope that you will consider supporting us by becoming a sponsor. All sponsors will be recognized on our social media & website outlets. See reverse for sponsorship levels.

To secure your sponsorship please complete the reverse. If you have questions contact Jen Shanahan at BrendanAndLiamsGift@yahoo.com or (516) 476-1852.

Thank you,
Carrie O'Connor
Fund Development Chair
